

AUDIO ENGINEERING SOCIETY

DIRECTORY OF MEMBERS

1

The following pages contain an alphabetical and a geographical listing of members of the Audio Engineering Society. The lists were compiled as of April 20, 1951, and include members in good standing on that date.

The alphabetical listing gives the membership grade, the business position, company name, address, and telephone number, and the home address and telephone number, where all of this information was furnished by the member. Where this information was not furnished, the membership grade and mail address only, are given. Student members are listed with mail address only, except where the school name was furnished. The geographical listing is arranged by state, city, and foreign country.

While every effort was made to insure the accuracy of this directory, it is possible that errors have occurred. It is requested, therefore, that the Secretary be advised of such errors immediately.

The abbreviations employed to indicate grades of membership are (M) Member, (A) Associate Member, and (S) Student Member.
