Terms of space application and allocation

1) Space application

Space applications must be sent to the AES Europe office before December 21st to be included in the first stand allocation round and must be validated by a 30% deposit of the stand value applied for. Applications will receive a priority rating based on a company's seniority at European AES exhibitions and the time of application.

2) Priority space applications

A preliminary floor-plan will be made with the valid applications that are received before above mentioned deadline. Exhibitors that have submitted a valid application form and indicated a preferred position either by outlining it on the on the floor-plan or by describing it on the application form will be contacted by AES by order of priority to determine the stand location in the event of conflicting placement requests being made by two or more exhibitors.

3) Allocation of non-prioritized space applications

Stands applied for after the deadline of December 22nd will be allocated at the AES' sole discretion.

4) Validation of space application

A space application form submitted to the AES Europe office will be valid as of the date on which the 30% deposit of the stand applied for is received.

5) Alterations to Layout

Unforeseen circumstances may necessitate a change in the lay-out plan of the exhibition. Participants concerned will be notified. The organisers cannot be held liable for any damage which this may cause for the participants.

6) Stand types

Custom design space:

Includes: exhibit space, free listing and product preview in exhibitor directory, free listing and product preview in the Journal of the AES, free listing on the AES website, free guest invitations (quantity according to stand surface), free staff badges (quantity according to stand surface), access to sponsoring opportunities, possibility to hold exhibitor seminars.
