

AES 36th INTERNATIONAL CONFERENCE

Automotive Audio—Sound in Motion

	Tuesday, June 2nd	Wednesday, June 3rd	Thursday, June 4th		
08:30	Registration	Registration	Registration		
09:00	Opening Remarks and Keynote Address	Objective and Subjective testing and evaluation	Volume and Equalization processing for the Automotive Environment -Panel Discussion-		
09:30					
10:00					
10:30	Coffee Break / Demonstrations	Coffee Break / Demonstrations	Coffee Break / Demonstrations		
11:00	Safety, Systems and Signal Processing	Very small room acoustics	The Art and Science of Automotive Audio Evaluations -Panel Discussion-		
11:30					
12:00	Lunch / Demonstrations	Lunch / Demonstrations	Lunch / Demonstrations		
12:30					
13:00					
13:30	Systems Integration	Signal Processing	In-Vehicle Technology Demonstrations	Tutorial Ported Loudspeakers	
14:00				Multi-Channel Sound	Tutorial Common Autosound Errors
14:30					Tutorial Spatial Hearing
15:00				Coffee Break / Demonstrations	Free to attend, Open to all
15:30	Amplifiers, Loudspeakers and Microphones	Coffee Break / Demonstrations	Location Ritz-Carlton Car Park		
16:00		Signal Processing Hands-Free and Active Noise Cancellation			
16:30					
17:00					
17:30	Reception / Light Dinner	Reception			
18:00		Banquet	Both the In-Vehicle Technology Demonstrations and Tutorial Sessions are open to non-conference attendees at no charge		
18:30					
19:00					
20:00
