Call for Papers

AES Japan Section Conference in Osaka, 2008

Osaka , Japan

Dates: 2008, July 25-26

Location: ABC Hall, Osaka, Japan

The AES Japan Section Conference committee invites you to submit technical papers for presentation at the 2008 July meeting in Osaka, Japan. By 2008 March 14 a proposed title, 60- to 120-word abstract (English), and 500- to 750-word précis of the paper should be submitted via Email to the Papers Chair (see below). The précis should describe the work performed, methods employed, conclusion(s), and significance of the paper. Title, abstract, and précis should follow the guidelines at [http://www.aes.org/journal/con\\_infoauth.cfm](http://www.aes.org/journal/con_infoauth.cfm) and [www.aes-japan.org](http://www.aes-japan.org). Acceptance of papers will be determined by a review committee based on an assessment of the précis. A preprint manuscript will be a condition for acceptance of the paper for presentation at the Conference. Abstracts of accepted papers will be published in the Conference program so please choose your wording carefully. All the presentations will be in poster session, which permit greater interaction between author and audience.

#### Proposed Topics for Papers

High-Resolution Audio	Transducers
Signal Processing for Audio	Amplifiers
Architectural Acoustics and Room Acoustics	Psychoacoustics, Perception, and Listening Tests
Audio Networking	Multichannel Sound
Recording and Reproduction	Program Production
