

**Indiana University-Purdue University Indianapolis (IUPUI)  
Purdue School of Engineering and Technology  
Department of Music and Arts Technology  
FACULTY POSITION ANNOUNCEMENT**

Position: Tenure Track Faculty - Music Technology  
Salary: Commensurate with qualifications and experience  
Appointment: Effective August 2019

**Responsibilities:** Serve as the principal faculty charged with supervision and instruction in audio recording and related technologies. The successful candidate will be expected to teach undergraduate and graduate courses in sound recording and audio engineering. Other potential areas of expertise, for both instruction as well as research interests, could include music information retrieval, audio spatialization, music perception and cognition, psychoacoustics, multimedia production, or live performance audio.

The Music and Arts Technology Department at IUPUI features multiple laboratories for audio engineering, acoustics, and telematic teaching and research. There is also ample opportunity for collaboration with other departments of the School of Engineering and Technology and across our growing research university.

**Qualifications:** PhD or equivalent with an established track record in audio recording and related technology or other areas of music technology related to the responsibilities listed above.

**Application Procedures:** Applicants should forward a letter of application and Curriculum Vita. Those invited will be asked to submit three letters of recommendation and a portfolio of professional activities. Please apply online at: <http://indiana.peopleadmin.com/postings/7411> Applications will be accepted until position is filled.

The Department of Music and Arts Technology is uniquely situated in the School of Engineering and Technology on the urban campus of IUPUI. The department offers accredited undergraduate and graduate degrees in music technology and music therapy.-The IUPUI campus has approximately 30,000 students and over 200 degree programs with annual research expenditures totaling over \$300M. IUPUI has received the Higher Education Excellence in Diversity (HEED) Award for seven consecutive years. More information about IUPUI is available at [www.iupui.edu](http://www.iupui.edu).

INDIANA UNIVERSITY-PURDUE UNIVERSITY INDIANAPOLIS is an equal opportunity employer and actively seeks applications from all qualified persons, whatever their sex, race, religion, national origin, age, or disability.
