

EDITOR'S REPORT

AES GROWING

● Announcement of the forming of a San Francisco Section of the Audio Engineering Society adds West Coast representation to this rapidly growing organization. Acting Chairman is I. R. Ganic. Other officers are Walter Selsted, acting vice-chairman; Don Lincoln, secretary; Frank Lennert, treasurer. Committee appointments are: J. Alan O'Neil, Harold W. Lindsay, admissions; Ross H. Snyder, meetings; Dick Beck and Jack Hawkins were designated to represent the group for the national nominations committee.

Those in this area who are interested in joining may obtain further information by writing Don E. Lincoln, 325 19th St., Oakland 12, Calif.

It is really too bad that no AES group has yet been formed in the Chicago area. Undoubtedly there are hundreds of audio engineers who live in Chicago and its suburbs who would like to join and if those interested will address their inquiries to this office, we'll try and help them get started.

While we're on the subject, don't forget that there is a chapter of the AES in the Twin Cities area. John Goodell of Minnesota Electronics, 6th and Minnesota Sts., St. Paul, Minn., heads this group.
