### **Audio Association?**

Sir:

After receiving the first few issues of your new magazine, I must say that I believe you are serving a much neglected field, in a highly adequate manner.

Now that the audio engineer has been dignified by a specialized publication, which will tend to draw the members of the field together, is it not time for him to have an organization of his own?

I have in mind an association similar in function and purpose to the I. R. E. and S. M. P. E. in their respective fields.

I will be glad to correspond with anyone interested in this matter.
