AES REGIONS AND SECTIONS

Eastern Region, USA/Canada

Sections: Atlanta, Boston, District of Columbia, New York, Philadelphia, Toronto
Student Sections: American University, Berklee College of Music, Carnegie Mellon University, Duquesne University, Fredonia, Full Sail Real World Education, Hampton University, Institute of Audio Research, McGill University, Pennsylvania State University, University of Hartford, University of Massachusetts-Lowell, University of Miami, University of North Carolina at Asheville, William Patterson University, Worcester Polytechnic University

Central Region, USA/Canada

Sections: Central Indiana, Chicago, Detroit, Kansas City, Nashville, New Orleans, St. Louis, Upper Midwest, West Michigan
Student Sections: Ball State University, Belmont University, Columbia College, Michigan Technological University, Middle Tennessee State University, Music Tech College, SAE Nashville, Northeast Community College, Ohio University, Ridgewater College, Hutchinson Campus, Southwest Texas State University, University of Arkansas-Pine Bluff, University of Cincinnati, University of Illinois-Urbana-Champaign

Western Region, USA/Canada

Sections: Alberta, Colorado, Los Angeles, Pacific Northwest, Portland, San Diego, San Francisco, Utah, Vancouver
Student Sections: American River College, Brigham Young University, California State University-Chico, Citrus College, Cogswell Polytechnical College, Conservatory of Recording Arts and Sciences, Denver, Expression Center for New Media, Long Beach City College, San Diego State University, San Francisco State University, Cal Poly San Luis Obispo, Stanford University, The Art Institute of Seattle, University of Southern California, Vancouver

Northern Region, Europe

Sections: Belgian, British, Danish, Finnish, Moscow, Netherlands, Norwegian, St. Petersburg, Swedish
Student Sections: All-Russian State Institute of Cinematography, Danish, Netherlands, St. Petersburg, University of Lulea-Pitea

Central Region, Europe

Sections: Austrian, Belarus, Czech, Central German, North German, South German, Hungarian, Lithuanian, Polish, Slovakian Republic, Swiss, Ukrainian
Student Sections: Berlin, Czech Republic, Darmstadt, Detmold, Düsseldorf, Graz, Ilmenau, Technical University of Gdansk (Poland), Vienna, Wrocław University of Technology

Southern Region, Europe

Sections: Bosnia-Herzegovina, Bulgarian, Croatian, French, Greek, Israel, Italian, Portugal, Romanian, Slovenian, Spanish, Turkish, Yugoslavian
Student Sections: Croatian, Conservatoire de Paris, Italian, Louis-Lumière School

Latin American Region

Sections: Argentina, Brazil, Chile, Colombia (Medellin), Mexico, Uruguay, Venezuela
Student Sections: Taller de Arte Sonoro (Caracas)

International Region

Sections: Adelaide, Brisbane, Hong Kong, India, Japan, Korea, Malaysia, Melbourne, Philippines, Singapore, Sydney

PURPOSE: The Audio Engineering Society is organized for the purpose of: uniting persons performing professional services in the audio engineering field and its allied arts; collecting, collating, and disseminating scientific knowledge in the field of audio engineering and its allied arts; advancing such science in both theoretical and practical applications; and preparing, publishing, and distributing literature and periodicals relative to the foregoing purposes and policies.

MEMBERSHIP: Individuals who are interested in audio engineering may become members of the Society. Applications are considered by the Admissions Committee. Grades and annual dues are: Full member, \$80.00; Associate member, \$80.00; Student member, \$40.00. A membership application form may be obtained from headquarters. Sustaining memberships are available to persons, corporations, or organizations who wish to support the Society. A subscription to the *Journal* is included with all memberships.

AES Journal of the Audio Engineering Society

(ISSN 0004-7554), Volume 50, Number 11, 2002 November
Published monthly, except January/February and July/August when published bi-monthly, by the Audio Engineering Society, 60 East 42nd Street, New York, New York 10165-2520, USA, Telephone: +1 212 661 8528. Fax: +1 212 682 0477. Periodical postage paid at New York, New York, and at an additional mailing office. Postmaster: Send address corrections to Audio Engineering Society, 60 East 42nd Street, New York, New York 10165-2520.

The Audio Engineering Society is not responsible for statements made by its contributors.

COPIES

Individual readers are permitted to photocopy isolated articles for research or other noncommercial use. Permission to photocopy for internal or personal use of specific clients is granted by the Audio Engineering Society to libraries and other users registered with the Copyright Clearance Center (CCC), provided that the base fee of \$1.00 per copy plus \$0.50 per page is paid directly to CCC, 222 Rosewood Dr., Danvers, MA 01923, USA. 0004-7554/95. Photocopies of individual articles may be ordered from the AES Headquarters office at \$5.00 per article.

REPRINTS AND REPUBLICATION

Multiple reproduction or republication of any material in this *Journal* requires the permission of the Audio Engineering Society. Permission may also be required from the author(s). Send inquiries to AES Editorial office.

SUBSCRIPTIONS

The *Journal* is available by subscription. Annual rates are \$160.00 surface mail, \$205.00 air mail. For information, contact AES Headquarters.

BACK ISSUES

Selected back issues are available: From Vol. 1 (1953) through Vol. 12 (1964), \$10.00 per issue (members), \$15.00 (nonmembers); Vol. 13 (1965) to present, \$6.00 per issue (members), \$11.00 (nonmembers). For information, contact AES Headquarters office.

MICROFILM

Copies of Vol. 19, No. 1 (1971 January) to the present edition are available on microfilm from University Microfilms International, 300 North Zeeb Rd., Ann Arbor, MI 48106, USA.

ADVERTISING
