**Document type:** (AES Deliverable: Standard; Information Document; Report)

<b>Document or project number:</b>	AES
<b>Document title:</b>	

**Free of charge**

Patent Holder will not seek any monetary compensation as part of the licensing arrangement (whether such compensation is called a royalty, a one-time licensing fee, etc.).

NOTE - However, while the Patent Holder in this situation is committing to not charging any monetary amount, the Patent Holder is still entitled to require that the user of the deliverable sign a license agreement that contains other reasonable terms and conditions such as those relating to governing law, field of use, reciprocity, warranties, etc.

**Reciprocity**

Limitation of the requirement for the Patent Holder to license a prospective licensee only if such prospective licensee commits to license its essential patent(s) or essential patent claim(s) (if any) for implementation of the same deliverable free of charge or under reasonable terms and conditions.

**Licensing declaration:**

The Patent Holder believes that it holds granted and/or pending applications for the patents listed below, the use of which would be required to implement the above document and hereby declares, in accordance with the AES Patent Policy, that (check one box only):

<b>1</b>		The Patent Holder is prepared to grant a free of charge license to an unrestricted number of applicants on a worldwide, non-discriminatory basis and under other reasonable terms and conditions to make, use, and sell implementations of the above document. Negotiations are left to the parties concerned and are performed outside the AES.
		Also mark here if the Patent Holder's willingness to license is conditioned on reciprocity for the above document.
		Also mark here if the Patent Holder reserves the right to license on reasonable terms and conditions (but not free of charge) to applicants who are only willing to license their patent claims, whose use would be required to implement the above document, on reasonable terms and conditions (but not free of charge).
<b>2</b>		The Patent Holder is prepared to grant a license to an unrestricted number of applicants on a worldwide, non-discriminatory basis and on reasonable terms and conditions to make, use and sell implementations of the above document. Negotiations are left to the parties concerned and are performed outside the AES.
		Also mark here if the Patent Holder's willingness to license is conditioned on reciprocity for the above document.
<b>3</b>		The Patent Holder is unwilling to grant licenses in accordance with provisions of either option 1 or option 2 above. In this case, the following information is strongly desired by the AES as part of this declaration: <ul style="list-style-type: none"> <li>• granted patent number or patent application number (if pending);</li> <li>• an indication of which portions of the above document are affected;</li> <li>• a description of the patent claims covering the above document.</li> </ul>
