

Audio Engineering Society Standards Committee

Notice and DRAFT agenda

for the meeting of the

SC-04-04 Working Group on microphone measurement and characterization of the SC-04 Subcommittee on Acoustics

To be held in conjunction with the upcoming AES 149th Convention.
The meeting is scheduled to take place online, 2020-10.
Please check the latest schedule at: <http://www.aes.org/standards/>

1. Formal notice on patent policy

2. Introduction to working group and attendees

3. Amendments to and approval of agenda

Note that projects where there is no current proposal for revision or amendment, and where there is at least 12 months before any formal review is due, are listed in an annex to this agenda. Please let the chair know if you propose to discuss any projects in this annex.

4. Approval of report of previous meeting, held online, 2020-05.

5. Open Projects

NOTE: One or more of these projects may be in the process of a formal Call for Comment (CFC), as indicated by the project status. In these cases only, due process requires that any comments be published.

AES42-R Review of AES42-2010 (r2015): AES Standard for Acoustics - Digital interface for microphones SC-04-04

scope: This standard describes an extension of the existing digital audio interface AES3 to provide a digital interface for microphones.

status: Minor errors have been identified and are being resolved in an editorial revision

<i>intent:</i> Review	<i>initiated:</i> 2015	<i>intent</i> 2020 <i>target:</i>
<i>goal:</i> Status report		<i>goal target:</i> Continuing

AES-X085 Detailed Professional Microphone Specifications SC-04-04

scope: to develop consensus among manufacturers and users for format and content of microphone specifications more detailed than those in IEC 60268-4, as a supplement to the specifications issued to that standard.

status: This work has shifted to supporting the IEC 60268-4.

<i>intent:</i> Revise for liaison	<i>initiated:</i> 1998	<i>intent target:</i> 2020
<i>goal:</i> ongoing		<i>goal target:</i> ongoing

6. Liaisons

7. New Projects

8. New Business

9. Date of next meeting

• These meetings are subject to the rules of the AESSC, including the AES patent policy, published on the AES standards web site.
• Please make sure you sign the attendance sheet that will be circulated. This sheet shall be passed to the secretariat after the meeting and will be used to update the membership information for this group.
• Please make sure that any documents contributed to the meeting are passed to the secretariat who will ensure they are posted to the appropriate Working Group document site.

Annex to the agenda

The following projects assigned to this group have
no current proposal for revision or amendment,
and no formal review is due to report in less than 12 months.

Please let the chair know if you propose to discuss any projects in this annex.

AES-X230 Control data for microphones in AES 70

SC-04-04

scope: Control data sets in OCA (AES 70) for wired and wireless microphones

status: Put on hold for lack of interest in AES42

<i>intent:</i> Information Document	<i>initiated:</i> 2016-03-24	<i>intent</i> 2020 <i>target:</i>
<i>goal:</i> PTD		<i>goal target:</i> 2016-09

End of annex to agenda
